

adopt-a-pet

Hello animal-lovers 

About Adopt-a-pet

Adopt-a-pet is a wonderful, community initiative of the Friends of the Pound, The Daily News and local businesses like you!

The Friends of the Pound does a great job looking after homeless animals until a new owner can be found for them. By supporting this wonderful cause, you can play a part in helping to find these special animals loving homes.

About Friends of the Pound

The Friends of the Pound's primary purposes are to rehouse animals to save them from destruction and improve conditions of the pound. They also encourage responsible pet ownership such as desexing and microchipping. All dogs and cats are sold desexed, microchipped, vaccinated and heart worm tested.

And how this can benefit your business

Published in Saturday's Tweed Daily News and in the Coolangatta/Tweed Border Mail on Friday, Adopt-a-pet is drawing in the attention of many of the locals in the Tweed Heads and Coolangatta region, with gorgeous photos of the 'adoptees'. This is a potential 111,500* people that will see your ad supporting The Friends of the Pound, who in turn will then support your business.
